### POLICY FRAMEWORK

#### **(A) DIRECT RECRUITMENT:**

As already indicated in the previous chapter, conduct of various direct recruitment examinations is one of the major tasks of the State Public Service Commission. During the year, the Commission had taken up various policy initiatives in the process of direct recruitment, which are indicated below.

#### ***The Mizoram Public Service Commission (Examination) Guidelines, 2023***

The method of recruitment, eligibility criteria and other conditions are generally provided in the Recruitment Rules or Regulations. In addition to these rules and regulations, the Commission devised and compiled its own Guidelines called “*The Mizoram Public Service Commission (Conduct Of Examinations) Guidelines*”. The provisions in the services rules/ recruitment rules and other regulations govern the process of direct recruitment to services/ posts. In consonance with these statutory rules and regulations, the Commission laid down these Guidelines to provide the essential details for conduct of the examination. The framework contained in these Guidelines lays down a system for fair and objective assessment of candidate’s suitability for selection by way of recruitment through written examination and personal interview. In certain cases direct recruitment is carried out through screening and interview as well as by personal interview only. The criteria, procedure and methods of selections are constantly reviewed and amended and incorporated in these Guidelines.

The existing Guidelines notified in 2013 had already been amended over time and different notifications were issued during the last ten years. The Commission had taken efforts to consolidate all these amendments, and also to carry out extensive revision of the existing Guidelines to meet the requirements recruitment examinations. The Revised Examination Guidelines was finally notified on 02.03.2023.

#### ***The MPSC Evaluation and Scrutiny Guidelines, 2022***

The MPSC never has a separate guideline for regulating the processes of evaluation and scrutiny in the examinations conducted by it. The Commission had taken efforts to do the same by drafting the new Guidelines, and after due approval by the Commission’s meeting, the same was notified on 10.01.2023.

This is the first ever such Guidelines issued by the Commission for regulating the evaluation and scrutiny in the examinations and is considered an important landmark in the conduct of examinations. This new Guidelines is an important development in the recruitment process, and the new system is expected to streamline the process of evaluation and scrutiny in the examinations conducted by the MPSC.

**(B) GUIDELINES FOR INDUCTION TO SERVICES/POSTS**

The Commission is mandated to carry out recruitment to services/posts through the method of induction, as some of the services/posts have such provisions in their service rules. The Commission carefully examined such cases, and the Regulations that govern the process of such induction so that when the actual process is carried out as per the provisions of the rules, and there is a proper and transparent system of assessment of the candidates.

Accordingly, the Commission had taken up examination of such Regulations, and in the absence of a complete process of assessment, the Commission had to devise and notify the Guidelines to supplement the Rules, or the Regulations governing such induction. In the case of Induction to the Mizoram Civil Service, the Commission had earlier notified the “*The Mizoram Public Service Commission (Induction to Junior Grade of Mizoram Civil Service) Guidelines, 2022*” on 14.03.2022. Again, the Commission notified “*The Mizoram Public Service Commission (Induction to Junior Grade of Mizoram Finance & Accounts Service – Evaluation of Seniority and PAR) Guidelines, 2022*” on 13.12.2022 to supplement the existing Regulations for induction to MF&AS.

**(C) FRAMEWORK FOR LIMITED DEPARTMENTAL EXAMINATIONS:**

The Commission conducts various limited departmental examinations under the provisions of relevant service/recruitment rules under the Government of Mizoram. During the year, the Commission carried out an objective study of the various provisions of the Rules and Regulations governing such limited departmental examinations for Group ‘A’ and ‘B’ (Gazetted) services/posts under the Government of Mizoram.

After thorough study, the Commission observed that there are some of the provisions in the existing Rules and Regulations that need to be amended so that the process is streamlined, and a more uniform system can be put in place. Besides, the Commission felt it expedient that the examinations for LDE be conducted by laying down the broad examination framework starting from the notification of vacancies, till publication of the result of the examination. The broad framework as laid down by the Commission will be put in place from the year 2023-24 onwards.

## CHAPTER 13
